

NEWSLETTER ISSUE SEPTEMBER 2021

9

September 2021 was a month full of achievements, entertainment, and great events as expected from NU Community. By always merging efforts as a one team, we achieve greater results making remarkable moments.

EVENTS

GRADUATION CEREMONY

Nile University has proudly witnessed a tremendous graduation ceremony like no other for Class of 2020 and 2021, which took place on Tuesday, September 14th. This year's Graduation Ceremony was exceptional starting from choosing the event's theme - "You're the Star" - to the attendees - prominent VIPs, staff members, and parents. Getting dressed up in their graduation cap and gown, our undergraduate and postgraduate students were recognized for achieving a milestone that paves the way for their futuristic plans.

A great event that has taken place and must be recognized in Nile University's history was H.E. Counselor Adly Mansour's attendance and NU awarding him the degree of Doctor Honoris Causa with all the rights, privileges, and responsibilities appertaining thereto by NU President, Prof. Wael Akl.

30TH IAMOT 2021

Under the auspices of H.E. Dr. Amr Talaat, Minister of Communication & Information Technology, the 30th International Conference on Management of Technology was virtually held from September 19th till 23rd under the headline "MOT – For the World of the Future". In this year's 30th International Conference, authors addressed MOT issues related to the World of the Future including competitiveness, innovation, and foreseen changes. On September 20th and 21st, Dr. Amr Talaat and Dr. Mohamed El-Erian held engaging talks, and discussions, respectively, on the most pressing topics in the current years. The last two days included panel discussions featuring prominent speakers and moderators from world-wide entities. The event witnessed huge number of attendees from all over the globe.

IEEE ICECS 2021

Prof. Ahmed Madian participating in ICECS2021 as member of the organizing committee (Entrepreneurial program chair) & Dr. Lobna A. Said as Chair of the Track "Linear and nonlinear circuits and Systems", 28 Nov., Dubai, UAE.

NATIONAL SUMMER SCHOOL FOR MATHEMATICS 2021

Prof. Ahmed G. Radwan (NU VP for research & Acting Dean of EAS) took part, in the National Summer School for Mathematics 2021 by presenting the session: "Criteria for the best journals?". The event took place in Alexandria University during the period of August 23rd till September 3rd, 2021.

PARTNERSHIPS

EXPORT DEVELOPMENT BANK OF EGYPT'S PARTNERSHIP WITH NU

Export Development Bank of Egypt (EBE) has greeted Nile University personnel at their head office on Monday, September 20th. The bank organized a great mutual conference to celebrate partnership with Nile University, which started since 2020. The agreement includes scholarships for extraordinary NU students who are scientifically superior and can benefit from the scholarship; congratulating our dearest students for their educational success. NU's and EBE's management board attended the event, with a common strong belief of the importance of education which is the base for all the development in our society.

WEBINARS

On Monday, September 27th, the Research Office hosted a live public lecture entitled "Career of Science graduates" by the Egyptian American space scientist and geologist Prof. Farouk El-Baz. The lecture took place from 5:00 - 6:00pm and was moderated by Eng. Mohammed Abdul Quddus where valuable topics were discussed as: Career opportunities available for faculty of science graduates, tips of success, and valuable input of science graduates to the society.

AGYA & NU PROJECT

On September 19th and for 4 consecutive days, the Research center held a virtual workshop on "Practical Training on Academic and Professional Skills for Entry into the Labor Market" featuring prominent speakers and figures in the market. The talks varied in topics, thus discussing career paths, personal and business skills, entrepreneurship, and labor market in general.

ACHIEVEMENTS

Dr. Irene Samy (IENG/SESC) has received an appreciation certificate for her contribution as a member of the Planning Committee in PowerAfrica2021 conference as well as organizing workshops and meetings.

PROF. AYMAN ISMAIL & DR. NOHA ALAA PUBLISHED PAPER

Congratulations to Prof. Ayman Ismail and Dr. Noha Alaa on their research paper entitled "Trends in GEN-Z readiness for online learning; changes in student perceptions along a year of COVID- A case study of Nile University Business Students" that was presented and published in the 30th IAMOT Conference Proceedings.

Wishing them the best of achievements!

STUDENTS' LIFE

NEW NUMUN BOARD

Nile International Model United Nations proudly announces their new board for the upcoming year: Omar Khaled, the Secretary General and, Kenzy Hegazy, the Deputy Secretary General and Karim Seada, the new Conference Manager.

Congratulations! We wish you the best of luck.

E-CLUB HOSTING MR. ESSAM YOUSSEF

Mr. Essam has been and still a key influencer and one of the most important presenters in Egypt. And now he aspires to help entrepreneurs, by making a new TV show which will give anyone the chance to have funds, and to learn how they can convert their ideas to real-life projects: The 17 Goals TV program. The 17 Goals TV program is delighted to be collaborating with the NU E-Club to discuss what the 17 Goals has to offer young entrepreneurs in all stages and various fields. The 17 Goals Program is offering entrepreneurs from all business sectors endless privileges with the ultimate objective of creating a better future by 2030 in Egypt. Nile University Entrepreneurship Club is now in partnership with The 17 Goals TV program to support both social development and sustainable development in Egypt. It was a pleasure for us to have one of the greatest novelists and TV hosts, Mr. Essam Youssef, on Nile University's campus, sharing his great experience with us.

FUN DAY

Our students' fun day made positive vibes and remarkable moments that was all around the campus, where the students enjoyed challenging games and contests. The day included musical entertainment atmosphere making all NUians happy to be there.

We would also like to thank the team behind the scenes Nile University's Student Union, for being the reason for igniting such beautiful and remarkable memories all over the campus.

ICPC NU COMMUNITY

Shout out to Menna Sayed, Emil Mourad and Ahmed Ayman who are the members of Mean Absolute Error (MAE) team for winning the bronze medal and taking the 7th place in ECPC competition 2021. The competition was held from August 20th to 28th, 2021 in the Arab Academy for Science, Technology & Maritime Transport (AAST) in Alexandria.

TOKEN OF APPRECIATION FOR OUR NU AMBASSADORS

We honor the effort that our NU Ambassadors have put in Spring 21 Graduation Ceremony. They have uttermost confidence in their leadership skills, and we are so happy to see them yield so much success. We will make sure that their excellent work is paid off in tangible results as well.

Once again, thank you for all your hard work, dedication, and invaluable contributions toward helping NU community reach its full potential.

FALL'21 FRESHMEN ORIENTATION

NU is very excited to welcome the new batch of extraordinary students, class of 2021/2022. The freshmen orientation was held from Wednesday September 29th to Thursday September 30th NU family will always be there to support them whenever needed.

Let's all welcome them!
